Dominion Video Satellite, Inc. ("Dominion") respectfully moves the Commission for leave to file the attached *Amended Reply Comments*. Dominion filed its original *Reply Comments* on Oct. 31, 2003. Daystar filed a *Motion to Dismiss* Dominion's *Opposition* on Nov. 4, 2003, shrilly complaining that Dominion's Reply Comments, which total less than 11 pages in length, did not have a table of contents. While Daystar's Motion has no real bearing in a Permit but disclose proceedings, except that a document be designated as an ex-parte filing, Dominion is making this technical correction to assist Daystar in reading and understanding Dominion's *Reply Comments*. Dominion respectfully encloses an identical copy of its *Reply Comments* with a table of contents and summary of filing as Daystar insists.

Respectfully submitted,

HOLLAND & KNIGHT LLP
